### LIABILITY COVERAGES

#### 1. **Bodily Injury, Property Damage and Personal Injury**

If a claim is made or a suit is brought against an **insured** for damages because of **bodily injury**, **property damage** or **personal injury** caused by an **occurrence** to which this coverage applies, we will:

- a. Pay up to **our** limit of liability for the damages for which an **insured** is legally liable. Damages include prejudgment interest awarded against an **insured**; and
- b. Provide a defense at **our** expense by counsel of **our** choice. **We** will provide a defense even if the suit is groundless, false or fraudulent. **We** may investigate and settle any claim or suit that **we** decide is appropriate. **Our** duty to settle or defend ends when the amount **we** pay for damages resulting from the **occurrence** exhausts **our** limit of liability.

## 2. Additional Payments

When arising out of an **occurrence** to which this coverage applies, **we** will cover the following if coverage applies to the **occurrence**:

- a. Costs and expenses **we** incur to defend a claim or lawsuit against an **insured**;
- b. Interest which accrues after judgment in a lawsuit and before **we** pay, offer, or deposit in court that part of the judgment which does not exceed **our** limit of liability;
- c. Premiums on bonds but only for that portion of the bond not exceeding **our** limit of liability. These are covered only if required in a suit **we** defend. **We** have no duty to apply for or furnish these bonds; and
- d. Reasonable expenses incurred by an **insured** at **our** request. This includes actual loss of wages up to \$100 a day due to attendance at hearings or trials at **our** request.

These are covered in addition to **our** limit of liability.

## LIMITS OF LIABILITY

1. The most **we** will pay for all damages for any one **occurrence** is the limit of liability shown on the Declarations. This is the most **we** will pay regardless of the number of **insureds**. This is also the most **we** will pay despite the number of claims made, suits brought, persons injured, property damaged, or exposures or premiums shown on the Declarations.
2. The general aggregate limit is the most **we** will pay for all damages to which this insurance applies. This general aggregate limit applies despite the number of **occurrences**. Other than as set out below (regarding an **insured's** liability for damage to property rented to or hired by an **insured**), there is no separate limit for any person or entity insured under this endorsement.
3. Subject to the general aggregate limit and the per **occurrence** limit, the most **we** will pay for all **property damage** to the **event location** is the limit of liability shown on the Declarations as **property damage** liability sublimit. This limit includes loss to any fixtures and contents rented, hired, loaned to, or within any **insured's** care, custody or control at the **event location**. This limit is the most **we** will pay despite the number of **insureds**, claims made, suits brought, property damaged or exposures.
