1. **Neglect**, meaning neglect of the **insured** to use all reasonable means to mitigate any loss or damage, at and after the time of a loss, or when the **event** is in danger of being **cancelled** or **postponed**.
2. **Nuclear Hazard**, to the extent set forth in the Nuclear Hazard Clause of **Section IV – Conditions**.

4. **Intentional Loss**, meaning any loss arising out of any act an **insured** commits or conspires to

commit with the intent to cause a loss. In case of such loss, no **insured** is entitled to coverage, even **insureds** who did not commit or conspire to commit the act causing the loss.

SECTION III - DUTIES IN THE EVENT OF LOSS OR DAMAGE

In case of a loss to which this insurance may apply, **you** must see that the following are done:

1. If a law may have been broken, notify the police as soon as reasonably practicable after discovery of the loss.

4. Submit to **us**, within sixty (60) days after discovery of the loss, **your** signed, sworn statement of loss, and, if the loss involves theft, attempted theft, vandalism or malicious mischief, the police report.
5. Make all reasonable efforts to find another place to hold the **event** if the **event location** becomes unavailable on the **event date**.
6. Take all reasonable precautions and actions to avoid loss, destruction, damage, accidents, liabil-

ity and expense and to minimize any claim under the policy.

7. In the event of any injury or on the commencement of any illness, which may cause the **event** to be **cancelled** or **postponed**, seek medical care and follow the medical advice from a duly qualified medical doctor. In such a circumstance, doctors of **our** choice must be allowed to examine the injured or ill person(s) as often as **we** reasonably require.
8. Agree to:
 - a. Be examined under oath;
 - b. Produce members of **your** household or others for examination under oath to the extent that it is within **your** power to do so;

Keep accurate records containing all relevant information and particulars of the **event**, including all contracts and receipts, to determine loss or damage and to produce such records as **we** may need to verify the claim and its amount and to permit copies of such records to be made, if needed; and
 - d. Cooperate with **us** in the investigation or settlement of a claim. **You** must not make any payments or admissions of liability without **our** consent and **we** are entitled to take over and conduct, in **your** name, any negotiations or legal claims in connection with a claim under this policy.

We have no duty to provide coverage under this policy unless **you** comply with the above duties in full.

SECTION IV - CONDITIONS

Conformity to State Law. When any policy provision is in conflict with the applicable law of the state in which this policy is issued, the law of the state will apply.

Payment to Named Insured. The **named insured** shall be the sole agent of each and all **insured(s)** for all purposes under this policy, including without limitation, receiving any payments owed to any of the **in-**

sureds, effecting or accepting any notices, making any changes or amendments, completing any applications, making any statements, representations or warranties, and/or exercising or waiving of any rights under this policy. The **named insured** must be 18 years or older at the **date of issue**.

Concealment or Fraud. The entire policy will be void if, whether before or after a loss, an **insured** has:

1. Intentionally concealed or misrepresented any material fact or circumstance;
2. Engaged in fraudulent conduct; or
3. Made false statements relating to this insurance.

Suit Against Us. No action shall be brought unless the **insured** has fully complied with all the terms of this policy and the action is started within one year after the loss.

Subrogation. An **insured** may waive in writing before a loss all rights of recovery against any person. If not waived, **we** may require an assignment of rights of recovery for a loss to the extent that payment is made by **us**. If an assignment is sought, the **insured** shall sign and deliver related papers and cooperate with **us** in any reasonable manner.

Our Right to Recover from Others. After **we** have made payment under this policy, **we** have the right to recover the payment from anyone who may be held responsible. **You** and anyone **we** indemnify must sign any papers and do whatever else is necessary to transfer this right to **us**. **You** and anyone **we** indemnify must do nothing to affect **our** rights.

Recovered Property. If **you** or **we** recover any property for which **we** have made payment under this policy, **you** or **we** will notify the other of the recovery. At **our** option, the property will be returned to or retained by **you** or it will become **our** property. If the recovered property is retained by **you**, the loss payment will be adjusted based on the amount **you** received for the recovered property.

Assignment. Assignment of this policy shall not be valid unless **we** give **our** written consent.

Liberalization Clause. If **we** make a change which broadens coverage under this edition of **our** policy without additional premium charge, that change will automatically apply to **your** insurance as of the date **we** implement the change in **your** state provided that this date falls within the **policy period**. This liberalization clause does not apply to changes implemented through introduction of a subsequent edition of **our** policy.

Cancellation. This insurance cannot be cancelled except by **us** for your non-payment of premium. **We** may cancel this policy for nonpayment of premium by letting **you** know in writing the day cancellation takes effect. **We** may do so by delivering to **you**, or by mailing to **you**, at **your** mailing address shown in the **Declarations** written notice at least fifteen (15) days before cancellation takes effect. Proof of mailing shall be sufficient proof of notice.

Abandonment of Property. **We** need not accept any property abandoned by an **insured**.

Nuclear Hazard. **We** do not pay for loss or damage arising directly or indirectly from actual or threatened nuclear reaction, nuclear radiation or radioactive contamination, however such nuclear reaction, nuclear radiation or radioactive contamination or threat of same may have been caused.

Appraisal. If **you** and **we** fail to agree on the amount of the loss, either **you** or **we** can demand that the amount of the loss be set by appraisal. If either **you** or **we** make a written demand for appraisal, each party will select a competent, independent appraiser and notify the other party of the appraiser's identity within twenty (20) days of receipt of the written demand. The two appraisers will then select a competent, impartial umpire. If the two appraisers are unable to agree upon an umpire within fifteen (15) days, **you** or **we** can ask a judge of a court of record in the state of **your** residence to select an umpire. The appraisers will then set the amount of the loss. If the appraisers submit a written report of an agreement to **us**, the amount agreed upon will be the amount of the loss. If the appraisers fail to agree within a reasonable time, they will submit their difference to the umpire. Written agreement signed by any two of these three will set the amount of the loss. The party selecting that appraiser will pay each appraiser. Other expenses and the compensation of the umpire will be paid equally by **you** and **us**. **Our** request for an appraisal or examination will not waive any of **our** rights.

Bankruptcy. **We** are not relieved of any obligation under this policy because of the bankruptcy or insolvency of any person or entity otherwise entitled to coverage under this policy.

This policy is signed for the company which is the insurer under this policy.
